**ANNUAL
PERFORMANCE
SHOW**

Welcome Message

A Chara,

The members of the Waterford Sport Horse Breeders Group would like to sincerely welcome you to our annual show. The purpose of the show is to identify a future performance horse either for showjumping or eventing. It is a wonderful opportunity for the mares and their progeny to be critiqued by experts within the industry and for the fruits of our breeding decisions to be assessed.

Our group members continue to put huge effort into selecting dams with strong performance lines and a big emphasis has been made on selecting stallions that complement their mares, with a great weighting once again put on performance. The members have teamed together during the year to research pedigrees and have worked as a unit to help make final breeding decisions – the true team effort coming to the fore. The importance of pedigree is reflected in the scoring system today. John Kerr and Michael Doherty are responsible for the painstaking work in scoring the pedigrees of the entries here today and we are grateful for their help.

There are a number of people that have made today possible. Firstly, the members of the Waterford Sport Horse Breeders Group themselves – they make the group what it is and they are the reason that the group has gone from strength to strength since its formation eight years ago. Secondly, Michael Doherty from Horse Sport Ireland has continued year on year to go above and beyond the call of duty when it comes to our group. His guidance and support is invaluable and we are truly grateful for all he has done. In addition, Ger O'Sullivan has been a great help to our group and is once again responsible for the beautiful photographs that appear in the catalogue.

Sincere thanks are due to Patrick Hester who is head of today's arena party. He has travelled especially from Norway to be with us and he has proven to be irreplaceable. Thanks also to our two Judges, Marily Power from Suma Stud in Kilkenny and Floris Van Leuken of Holsten Stables in Putten, The Netherlands. We look forward to their feedback on the show today. We would also like to thank Ballinamona Equestrian Centre for making their superb facilities available to us to host this event.

We hope that you enjoy our show and we welcome your feedback on any areas that you feel can be improved on in the future

Ruth Fennell
